

The SPCA Serving Erie County's Official Kids Fundraising Manual

Developed and written for the SPCA Serving Erie County.

Thank you for your interest in running a fundraiser for the
SPCA Serving Erie County.

We are so excited that you are volunteering to help the animals!

But, before we get started, here are a few things you should know:

I'm Amber Murphy, Events Coordinator at the SPCA, and I am here to help you! Please contact me at 716-875-7360 ext. 230 or at amberm@yourspca.org if you have any questions.

You need a supervising adult(s), who will be responsible for overseeing your event. This person needs to be over the age of 18.

If you would like other people to know about your event, we would be happy put it on our Web site calendar, located at YourSPCA.org. Thousands of people visit our Web site, and will learn about your event! Please send me your event information at least two months in advance so that I can post it.

Because there are other SPCAs in our area, we want people to know that you are helping our SPCA. When you refer to us on event fliers or posters, please call the SPCA, "The SPCA Serving Erie County." It's our official name and we're very proud that you chose us! If you'd like a copy of our logo, I'd be happy to email it to you.

Due to scheduling and limited resources, we cannot always guarantee your photo will end up on our Facebook page. We are excited for each and every child who helps out the SPCA, so please have your supervising adult contact me so that we can schedule a time for you to come in when I am available!

The SPCA has so many things going on that we can not provide staff or volunteers to help you run your event. Because the SPCA has many organizations interested in presentations, we ask that you schedule your presentation at least two months in advance. There are nominal fees for presentations and tours.

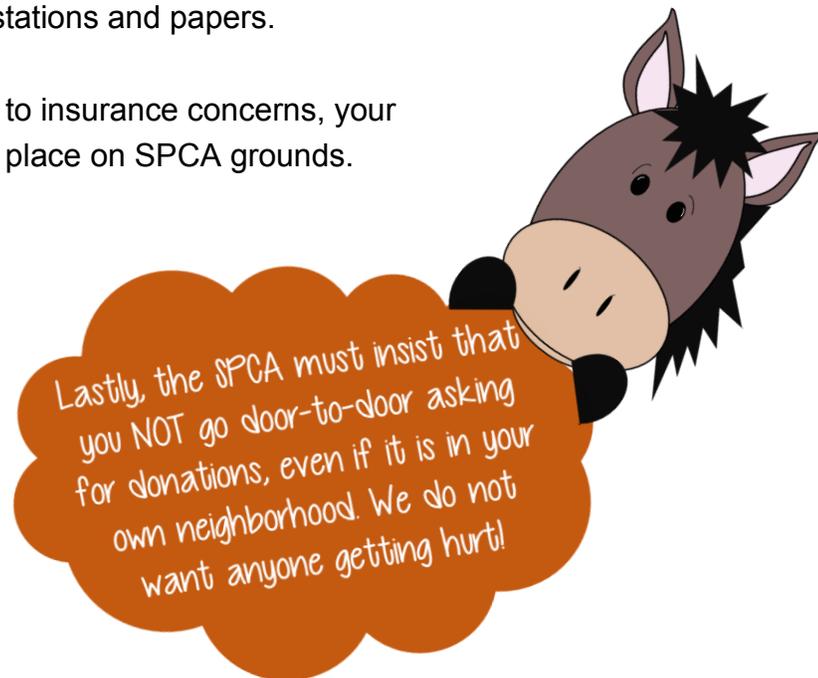

If you are interested in having an SPCA representative come to your school to give a presentation, or if you would like to receive an SPCA tour, please talk with the SPCA's Humane Education department at 716-875-7360 ext. 234.

In addition, because so many generous people are doing the same thing as you - helping the SPCA by organizing and holding a special event - the SPCA can not post fliers or other information about your event in the shelter. Also, the SPCA can not place information about your event in the adoption packets. The shelter would be over-run with event fliers! We hope you understand.

The SPCA can not loan out any animals to you. Just like when you take your pet to the veterinarian's office, some pets don't mind traveling and other pets hate it! We want to make sure that all of the animals at the SPCA are happy, so we don't allow the animals to leave the SPCA until they are adopted.

The SPCA has a lot of important things going on to help our animals receive the care they need, and to eventually find loving homes. We have a calendar in place to tell us when we need to tell TV and radio stations and newspapers about what is going on here at the SPCA. Because that calendar is set far in advance and we rely on it to help our animals in the best way possible, our news releases are confirmed and we are unable to release announcements of community fund raisers and events to stations and papers.

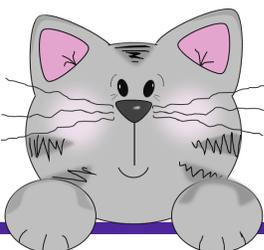

Unfortunately, due to insurance concerns, your event can not take place on SPCA grounds.

The SPCA wants you to have fun and to know how much your help means to us! Thank you for helping the animals!

Need some ideas about what you could do to help the animals at the SPCA Serving Erie County? Check these out!

1. Using the SPCA's Always Needed Wish List (found on page 5), hold a pet supply drive at your school or with your friends and family.
2. Instead of gifts for your birthday or other special events, ask for donations or items on the SPCA's Always Needed Wish List (found on page 5).
3. In the summer, stay cool and sell lemonade at a lemonade stand or at a sporting event, like your little sister's soccer game.
4. In the winter, stay warm and sell hot chocolate at a sporting event, like your big brother's hockey game.
5. Hold a garage sale and donate the money raised to the SPCA.
6. Hold a bake sale and donate the money raised to the SPCA.
7. Hold a neighborhood can drive. Collect beverage cans and bottles from your neighbors and turn them in for the refund. Donate the refund money to the SPCA.
8. Create artwork, jewelry or a craft to sell to your family and friends and donate the money raised to the SPCA.
9. For one month, at the end of each day, empty the change that mysteriously accumulates in your pockets or backpack and donate it to the SPCA. Ask your friends and family to do the same.
10. Hold an animal movie night with your friends and family. Pick a movie like "The Cat in the Hat," "Lady and the Tramp" or any other movie that has animals as the main characters. Ask your friends to bring cat or dog toys to the festivities. Let them know that you will donate the toys to the SPCA.
11. Have a animal themed birthday party! Instead of gifts, have your friends bring items from our Always Needed Wish List and instead of games like Pin The Tail on the Donkey, make the items on the following pages (pages 6,7,& 8)! This will surely be a "paw-ty" everyone will remember!

The SPCA's Always Needed Wish List

No-Sew Cat Fleece Cat Beds

We noticed a lot of kids love making these beds for the cats in the SPCA's care. Here are the directions for this quick and easy project!

- Take your two pieces of fleece and put one piece on top of the other, lining up the edges so they are even.
- Trim off any extra around the edges of your fleece. Remember, you need to try to cut straight, but it doesn't have to be.
- Take your piece of 4" x 4" paper and lay it on the corner of your blanket. Then cut out the corner through both layers. Do this on all four corners.
- Now you are ready to cut your pieces of fringe. Cut 4" into both fleeces at 1" wide. Proceed to cut 1" intervals on all four sides.
- Starting on one side and using one piece of fringe from each piece of fleece, tie
- using basic hand knots. Tie these knots on every piece of fringe around the entire blanket.

Items You'll Need:

- Two pieces of fleece fabric (1/3 yd each)
- Fabric Scissors
- 4"x4" piece of paper

You're done!

You've made a cute and cuddly blanket for the kitties!

Fleece Dog Rope Toy

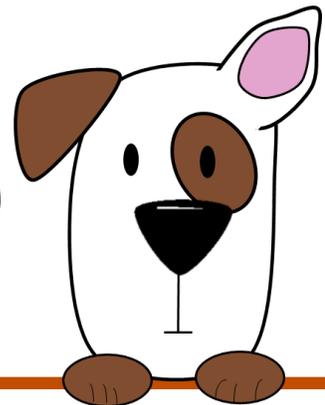

Items You'll Need:

- Three pieces of fleece fabric (about 36 inches long & 4 inches)
- Fabric Scissors

- Take your three pieces of fleece and put one piece on top of the other, lining up the edges so they are even.
- Tie a knot at the top of the strips, make sure you tie the knot as tight as you can!
- Now you can start the braid process, it's just like how you would braid your hair! Make sure you braid tightly!!

You can stop braiding when you have a little bit of fabric left at the end. You're going to tie this end in a knot, just like you did the other end.

Congrats! You just made a fun toy for our dogs!

It's Always Important to Say Thank You!

It is very important to thank everyone involved in your special event. You should thank your helpers, donors, and the principal at the school where the event took place.

It may seem like a time-consuming task, but, in the end, it is worth it! If you send a short note thanking people for their time and donations, they may be more willing to help you again with a future event.

The letters below are examples of letters that you can use. All you need to do is re-write the letter by filling in the missing information where indicated and print it.

If you are allowed to use the letterhead stationery for your school, after-school group, or community organization, it's nice to print your letters on this stationery for a more professional look. If you are not allowed to use their stationery, just create your own!
